EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Tom Pavelko on 3/20/2006.

The application has been amended as follows:

In the claims:

In claim 15, line 1, after "to claim" and before ", wherein the element" the number "5" has been deleted and the number - - 1 - - has been inserted in place thereof.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

The prior art fails to teach or suggest an element comprising a partly or completely circumambient frame, wherein the element comprises a carrying structure constituted by the frame, said frame having a corner section and a straight section, and a wall section, which wall section is connected to the circumambient frame via a resilient section, the resilient section being a part of the wall section.

Brauner discloses an element wherein the frame is connected to the wall at its corner. However, Brauner fails to disclose an element comprising a partly or completely circumambient frame, wherein the element comprises a carrying structure constituted
